SAINT JOSEPH
HEALTH SYSTEM

ACCOUNTABLE
CARE ORGANIZATION

POWERED BY:

The Saint Joseph Health System Accountable Care Organization (SJHS ACO) is a partnership between School City of Mishawaka (SCM) and Select Health Network (SHN), to maintain and improve your health. Our primary goal is achieving ***Better Health, Better Care at a Lower Cost.***

An initial step in achieving this goal is engaging members' participation in maintaining and improving their health. As a starting point, the SJHS ACO will offer all SCM health plan enrollees and their spouses the opportunity to participate in an annual wellness screening. This will include a wellness physical with a primary care provider (PCP) and the completion of a Health Risk Assessment (HRA). These activities are voluntary.

Members are eligible to receive up to a \$300 premium contribution refund annually. Each covered employee and covered spouse are eligible for a \$150 refund after the annual physical has occurred and the completed HRA has been received. The health plan premium contribution will be refunded at the end of the 2021 benefit year. Allowable annual wellness appointments should be completed between July 1, 2020 and March 31, 2021. Both the physical exam and the HRA form must be completed and submitted before April 1, 2021.

The annual wellness screening (physical exam and labs) is a covered benefit of your health plan, which is administered by SIHO Insurance Services (SIHO).

The information you provide in this HRA is personal health information that is protected by federal and state law and will be kept confidential. It CANNOT be used to deny health care coverage. Please refer to the HIPAA information in the health plan document for more information regarding HIPAA Privacy Rights, and the notice at the end of this material.

**NOTICE REGARDING SAINT JOSEPH HEALTH SYSTEM
ACCOUNTABLE CARE ORGANIZATION (SJHS ACO) WELLNESS PROGRAM**

Voluntary Wellness Program

Saint Joseph Health System Accountable Care Organization (SJHS ACO) includes a voluntary wellness program ("SJHS ACO") available to all School City of Mishawaka employees in the United States. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

Health Risk Assessment and Biometric Screening

If you choose to participate in SJHS ACO voluntary wellness program you will be asked to complete a voluntary health risk assessment ("HRA") that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for total and HDL cholesterol, triglycerides and glucose. You are not required to complete the HRA or to participate in the blood test or other medical examinations to participate in the Wellness Program.

Benefits of Participation in SJHS ACO Wellness Program

In addition to receiving information and coaching that may help you with your health conditions, employees who choose to participate in SJHS ACO wellness program will receive an incentive of a refund in the employee's health plan premium annual contribution. Although you are not required to complete the HRA or participate in the biometric screening in order to participate in the SJHS ACO wellness program, only covered employees and covered spouses who complete the HRA and participate in the biometric screening will receive the health plan premium refund of up to \$300 in 2021.

Restricted Use of Your Personal and Medical Information

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through SJHS ACO, such as healthy lifestyle coaching.

Confidentiality, Privacy and Security of Your Personal and Medical Information

SJHS ACO and Select Health Network, Inc., who administers SJHS ACO, are required by law to maintain the privacy and security of your personally identifiable health information. If so, the disclosure is limited to information necessary to process your request, and is restricted to personnel whose job responsibilities include handling those requests. Please be assured that your medical information provided in connection with SJHS ACO programs will not be provided to your supervisors or managers, and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to SJHS ACO, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in SJHS ACO wellness program or receiving an incentive. Anyone who receives your information for purposes of providing services to you as part of SJHS ACO will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information are individuals (such as health coaches) working on behalf of SJHS ACO who may contact you to discuss your health information and recommend ways to improve your health.

Retention of Your Personal and Medical Information

Your HRA and health information will be stored in your electronic medical record at your SJHS ACO Primary Care Physician office.
