

**BOYS & GIRLS CLUBS
OF ST. JOSEPH COUNTY**

Winter eLearning Program

Students in grades 6 – 12

Our eLearning Program will offer preteens/teens a supportive and safe environment while in-person instruction is not available. In addition to helping with technology and internet access, students will receive assistance with online class assignments — as well as plenty of time for fun, including sports, art, music, games, science activities, yoga, and more!

Breakfast and hot lunch will be provided daily.
