Save Bookmarks In Firefox Browser

This tutorial will walk you through the process of exporting your saved bookmarks that are in Firefox. This will allow you to save a copy of these bookmarks to import (reinstall) on a new computer.

1. Click on the Start Menu button to open it and click on All Programs.

2. Click on Firefox to open the browser.

3. Click on the Bookmark icon on the top right to open the Bookmark Menu. Then click on, "Show all bookmarks".

4. In the new window that appears, click on the menu labeled, "Import and Backup". Click on, "Export Bookmarks to HTML".
